Adult Summer Carriage Driving Clinic

South Hampton, NH -- The Carriage Barn is pleased to announce that its 4th Annual Summer Adult Carriage Driving Clinic will be held August 23rd through 25th.

This is your chance to receive concentrated driving instruction -- your horse or ours. No experience needed -- a great introduction to the fine art of carriage driving. Enjoy three days of driving fun and companionship.

Clinic topics include reinsmanship, types of harness and carriages, presentation and showing, and combined driving for beginners. Attendees will drive each day and in addition enjoy plenty of roundtable discussions and Q&A.

The Carriage Barn has a well established riding and driving program for children and adults of all ages. Our instructors are experienced professionals who possess the ability to work with clients at all levels. We would be glad to talk to you about your individual needs and goals.

The Adult Driving Clinic will run Tuesday through Thursday from 9am to 3pm. Attendees must bring their own lunch, beverages, and snacks. Space is limited and early registration is encouraged. For those that cannot attend the entire clinic, driving lessons are available daily year round.

Clinic proceeds help support The Carriage Barn's therapeutic riding & driving programs. For more information or a registration form, please contact The Carriage Barn at 603-378-0140, email carriage-barn@comcast.net.
